Summary

The spy kids taking a moment to look at all the information they've gathered thus far.

Hayden Couch

So... are we still doing this, because we know they're engaged now

Amelia

Oh wow yeah. That was the main question huh

Ryan

who won

Levi

So, technically, @Winnie got the most right, by one point with the dog thing.

Levi

BUT no one guessed engaged, and we didn't get answers to all the points.

Levi

Also, I have so mane MORE questions now

Levi

I wanna know everything there is to know about this wedding

Levi

SO I say we keep going.

Winnie

Why only technically man, I'm winning, give me that much at least

Hayden

Okay, then uh

Hayden

So look, my class right now was canceled, professors sick, so I went to sit in Graham's class because it's next you know, and they're in here

Hayden

I don't think they've noticed me yet? Which is weird because isn't that like their job?

Amelia

yeaaaa seems a recurring problem

Levi

@Amelia maybe we're just really good detectives

Diana

Weren't both of you caught?

Levi

Weren't you @Diana ?

Diana

My point. You've proven it.

Hayden

Oh, we've got a guest lecturer today.

Flora

I think we should start deduction points if you're caught

Winnie

No because how can we really tell

Winnie

There's no way Dr.BF recognized me or @Amelia

Flora

I still think we count it

Levi

@Flora does yours count as getting caught

Flora

No

Winnie

Yes

Amelia

Yes

Diana

@Hayden Lecter is guest lecturing?

Hayden

No, a woman. She was here before Graham, I thought she was the professor from a previous class today but then Graham came in and they're talking about her slides

Hayden

Lecter is here too and let me tell you, she's not obvious about it, but she's pissed at him

Hayden

Not Graham though

Levi

Not Katz, is she @Winnie 's woman from the restaurant?

Winnie

How would I know

Winnie

And don't call her my woman that's weird

Levi

@Hayden take a pic

Hayden

No

Hayden

No way

Amelia

Describe her at least?

Amelia

Or do your google magic

Hayden

She's guest lecturing, she'll give us her name later

Amelia

Dude, come on

Hayden

Fine, dark hair, dressed like a professor, a little bit shorter than Graham, pretty

Hayden

Lecter called her Dr. Bloom, google it yourself

Flora

Bloom was Graham's second choice of best 'man'

Levi

and she's mad at Lecter but not graham???

Levi

@Winnie is this yours

Levi *sent a photo*

Levi

@Winnie ????

Levi

@Winnie bitchhhhhhh

Levi

@Winnie HELLOOOOOO?????

Amelia

I'd like to know to, to be fair

Levi

@Winnie earth to Winifred

Winnie

I'm literally in a class right now

Winnie

But yes

Levi

The plot thickenens

Amelia

So, here's what I'm seeing:

Amelia

Graham, Lecter and Bloom are friends, it seems. Lecter and Graham were dating/ are engaged, Bloom didn't know. And! Bloom went on a date with Lecter because she didn't know about him and Graham, but graham told her today or recently and now she's mad at Lecter for A.) not telling her B.) cheating with her

Flora

C. she knew he was cheating and is mad their engaged

Levi

C is the most entertaining options

End Notes

yea remember what I said last time about wrapping this up?

...probably not
